Urge Our Congressional Delegation to End Family Detention for Asylum-Seeking Families

Crossing the U.S. border to ask for asylum is not a crime.

Mothers and children fleeing violence are being held against their will in family residential detention centers run by for-profit prison corporations.

Family detention is expensive, inhumane and dishonors our legacy as a nation of welcome for vulnerable people and those fleeing persecution. There are alternatives to prison as they await their hearing for asylum.

Call or email:

Congressman Brad Ashford

Omaha: (402) 916-5678

DC: (202) 225-4155

To email visit:
