Introduce candidates

Review the Ground rules and format

Modernizing Immigration Law Kathleen Grant

Background information Kathleen Grant

Story--Immigration Mary McKeighan,

Story—Detention Ctr Dan Rock/Sr. Kathleen?

Question to candidates Kathleen Grant

1. Do you agree with OTOC that our current immigration system is outdated and over-stretched? What would you do to improve our immigration system and would you promote family unification in a reformed system? (1 min, 30 second response)
2. OTOC has taken the position that we should end the long-term and indefinite detention of 3,000 to 4,000 asylum-seeking women and children from Central America who are detained each day in three Family Detention Centers in Texas and Pennsylvania. Would you work with OTOC to end this practice? (30 second response)

Improving Access to Health Care

Mary Spurgeon

Background information
 Story--ACA
 Story—Mental Health
 Questions to candidates

Mary Spurgeon/Linda Jensen
 Mark Kazor

 Mary Spurgeon

1. What changes would you make to the Affordable Care Act to make it sustainable so that all Americans have access to affordable, high quality healthcare? (1 min, 30 sec response)
2. Two million Americans with mental health conditions end up in jail each year often as the result of their illness. Jails aren't designed to provide mental health care or to help people recover. If elected, what will you do to reduce the jailing of people with mental illness? 1 min, 30 sec response)

Promoting Environmental Sustainability

Kay Carne

Background information Kay Carne
 Story _____
 Questions to candidates Kay Carne

1. Do you support the concept of a carbon fee and dividend that is revenue neutral to address climate change? If yes, why do you support this policy and if not, what policy do you suggest to address climate change? (1 min, 30 sec)
2. Will you work to find a partner of the other respective party to join the Climate Caucus? (30 sec response)
